

# Health and Safety in Care (Standard 13 Care Certificate)

## E-Learning

**This E-Learning course develops knowledge in the responsibilities of a care professional in relation to health and safety.**

**35** minutes

Online Learning

### About the course

This online training course covers Standard 13 of the Care Certificate. With over 100 residents in care homes across the UK injured every day, it is essential that care workers understand their health and safety responsibilities in order to reduce risk in the workplace.

Available in 35 languages. Machine translated\* content is included and includes navigation, transcripts and test questions.

\*Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.

### Who should attend

This course is suitable for care workers working towards compliance with The Management of Health and Safety at Work Regulations and RIDDOR.

### Course syllabus

The course modules cover:

- Legislation, policies, and responsibilities
- Accidents and sudden illnesses.

### Certification

Delegates will receive a HSS printable certificate in Health and Safety in Care upon completion of the course.

This course is approved and accredited by Skills for Care.
